REGION 8 BULLETIN NO: 2014-05

Subject: National Transit Database (NTD) Rural Reporting Overview & Clarifications Report
Year 2013 Webinar

Date: February 12, 2014

Dear Grantees:

The National Transit Institute (NTI) has the following webinar available on February 18, 2014 and Wednesday, February 26, 2014 at 2:00pm ET

<http://www.ntionline.com/courses/courseinfo.php?id=269>.

The webinar will review the NTD 2013 report year changes for Non-Urbanized Area reporters and discuss issues relating to program changes related to the new surface transportation bill (MAP-21). A Federal Transit Administration (FTA) representative will discuss the updates and answer questions relative to these issues. The webinar will last approximately 90 minutes.

This webinar is intended for NTD reporters already familiar with the NTD's functionality and reporting process. Those not familiar with the NTD should attend NTI's National Transit Database course prior to participating in this webinar.

NTI has changed its webinar registration process. Registration for the webinars is still required, but we will not maintain a waiting list. Please note that the webinar classroom has 250 "seats." When the classroom reaches capacity, we cannot guarantee registered participants a seat. We strongly recommend registered participants enter the classroom early. Participants who are not able to access the webinar classroom will be able to participate using the Participant Handout that is included in the reminder emails.

For more information about the National Transit Database webinars, please contact NTI Program Coordinator Barbara Van Dyke at 732.932.1700, ext 211 or bvandyke@nti.rutgers.edu.

If you have any questions at the regional level, please contact Jennifer Stewart, Region 8 at 720.963.3317.
