REGION 10 BULLETIN NO: 2014-45

Subject: Innovative Public Transportation Workforce Development Program Funding

Date: September 9, 2014

The Federal Transit Administration (FTA) announces a Notice of Funding Availability (NOFA) for the Innovative Public Transportation Workforce Development Program Ladders of Opportunity Initiative. FTA will make available approximately \$7.85 million in funds appropriated in Fiscal Year (FY) 2013 and Prior Years, in support of this effort. This NOFA solicits proposals that promote innovative nationally and regionally significant public transportation workforce development models and programs that invest in America's economic growth and help build ladders of opportunity into the middle class for American workers.

Complete proposals are due by 11:59 p.m. Eastern Time on November 4, 2014.

All proposals must be submitted electronically through the GRANTS.GOV "APPLY" function. All entities intending to apply should initiate the process of registering on the GRANTS.GOV Web site immediately to ensure completion of registration before the submission deadline. Instructions for applying can be found on FTA's Web site at http://www.fta.dot.gov/grants/13093_3561.html and in the "FIND" module of GRANTS.GOV. Mail and fax submissions will not be accepted.

For specific information regarding the areas of research targeted within this NOFA, please contact Betty Jackson, Workforce Development Program Manager, Office of Research, Demonstration and Innovation, at 202-366-1730, fax 202-366-3765, or email betty.jackson@dot.gov.
