Subject: Joint Development Circular Outreach Webinar

Date: September 9, 2014

On August 25, 2014, the Federal Transit Administration (FTA) published Circular 7050.1 on Joint Development. The circular (http://www.fta.dot.gov/regions/region10/region10_16132.html) provides guidance to recipients of FTA financial assistance on how to use FTA funds or FTA-funded real property for joint development. This circular incorporates provisions of the Moving Ahead for Progress in the 21st Century Act (MAP-21), Pub. L. 112-141 (2012).

On September 17, 2014, from 11:00-1:00 Pacific Time, FTA's Office of Budget and Policy will host a webinar to present the newly released circular to the public and to discuss the application and review process for FTA-assisted joint development projects.

Topics will include:

- Introduction and Background on the Joint Development Circular
- Circular Overview
