REGION 10 BULLETIN NO: 2016-16

Subject Notice of Funding Opportunity – CORRECTION – Bus and Bus Facilities Program
and Low or No Emission Program

Date: April 13, 2016

On March 29, 2016, the Federal Transit Administration (FTA) published a Notice of Funding Opportunity (NOFO) in the Federal Register (FR) announcing the availability of approximately \$211 million for Grants for Buses and Bus Facilities and \$55 million for Low or No Emission Grants.

The notice provided incomplete information regarding FTA's Buy America and Disadvantage Business Enterprise (DBE) requirements. Additionally, the NOFO was missing information in one place about how to submit applications through GRANT.gov, <http://www.grants.gov>. This correction FR notice, <https://www.gpo.gov/fdsys/pkg/FR-2016-04-12/pdf/2016-08295.pdf>, amends the March 29, 2016 notice and Region 10's Bulletin No. 2016-12.

For questions regarding the Bus Program, contact Sam Snead, FTA Office of Program Management at 202-366-1089, or email samuel.snead@dot.gov. For questions regarding the Low-No Program, contact Tara Clark, FTA Office of Program Management at 202-366-2623, or email tara.clark@dot.gov.

For general information, contact Region 10's Amy Changchien at 206-220-4464 or email amy.changchien@dot.gov.

Sincerely,

for R.F. Krochalis
Regional Administrator
