## **REGION 10 BULLETIN NO: 2013-21**

Subject: General Engineer, GS-0801-09/11/12

Program Area: Job Opportunity

Date: June 17, 2013

Dedicated to delivering results that matter to the American people, the Federal Transit Administration (FTA) supports, improves, and promotes effective public transportation, the Nation's fastest growing mode of travel. Through the administration, management, and oversight of a \$10 billion annual grant program, FTA supports the development and construction of subway, light rail, and bus systems to help communities provide travel choices; improve access to jobs and health care; drive economic growth; and protect the environment.

The Office of Operations and Program Management for the Region 10 Office in Seattle, Washington has an opening for a **permanent full-time General Engineer GS-0801-09/11/12**.

You will provide engineering and project management assistance of a specialized and innovative nature to program managers, senior staff and grantees in the form of construction techniques, solutions to problems, innovations in procurement, etc., to insure that projects are properly designed and managed to achieve the approved purpose and are completed on schedule. This position will also assist in the management of the Regional Project Management Oversight Consultant (PMOC) Program.

The ideal candidate for this position communicates effectively with transportation officials of all levels on a variety of issues to provide expertise in grant development and program management; negotiate and resolve matters in dispute; find solutions to problems; motivate; and advise on project status.

**The deadline date for applications is June 26, 2013.**

The job announcement as advertised is open for all US Citizens under FTA.R10-2013-0004. Follow the guidelines in applying for this position at <https://www.usajobs.gov/GetJob/ViewDetails/345713100>. This job announcement is also advertised for those individuals with current or previous federal employment as a Merit Promotion to apply under FTA.R10-2013-0003. Follow the guidelines in applying for this position at <https://www.usajobs.gov/GetJob/ViewDetails/345713300>.
